Dermalogica & Skin Treatments

Professional-grade skin care since 1986. Dermalogica was founded by a skin therapist, so they know how to create custom skin care solutions that work – not just today, but for life. Dermalogica's products work best when they are recommended by a professional skin therapist for your unique skin. Whatever your lifestyle, background or environment, rest assured that Dermalogica will work for you.

Skin Consultation £20 (30-45 mins)

Fully redeemable against skin treatments or 2+ Dermalogica or DermaQuest products in clinic.

Skin consultations include the analysis of your current skin care routine, lifestyle and how we can help meet your skin goals and ultimate skin health. This may be through in-clinic skin treatments, home care routines or a combination of both. Whether your concern is acne, pigmentation, ageing or sensitivity, we can devise a bespoke plan to suit your budget and to suit you.

Customisable Dermalogica

Compared to your typical facial, the Dermalogica Pro Skin treatment delivers so much more! Tailored to your skin's needs on the day, your skin therapist will design your treatment to target your main skin concerns and include wellness touches to aid in relaxation and stress relief. Enhanced technologies may be included alongside professional-grade formulas to deliver superior skin results. You will be left with radiant, glowing skin and feeling incredibly relaxed.

Pre & Post Waxing Advice

• Please leave at least 3-4 weeks hair growth between shaving and transitioning to professional waxing treatments.
• If your hair is long, especially in the bikini/intimate area, trim the hair to at least 1cm prior to your appointment. This will make your treatment more comfortable.
• Avoid sun exposure and tanning beds for at least a week prior to your appointment.
• Avoid any heat or steam for at least 24 hours and avoid exfoliating the area for at least 48+ hours.
• Gently exfoliate the area 48 hours before your appointment as well as 1-2 times per week in between your appointments.
